

CURRICULUM VITAE

of Prof. D.Sc. Konstantin Ivanov Hadjiivanov
Vice-president of the Bulgarian Academy of Sciences

Year and Place of Birth	1958, Sofia, Bulgaria
Marital Status	married, one child
Current Employer	Bulgarian Academy of Sciences (BAS)
Education	University of Sofia, inorganic chemistry, 1981.
Scientific Degrees and Academic Positions	
professor	2002, Institute of General and Inorganic Chemistry, BAS
associate professor	1996, Institute of General and Inorganic Chemistry, BAS
assistant professor	1984, Institute of General and Inorganic Chemistry, BAS
doctor of sciences	2001, Institute of General and Inorganic Chemistry, BAS
doctor	1990, Institute of General and Inorganic Chemistry, BAS
Training	
	1. Institute of Catalysis, Novosibirsk, Russia, 1985 г., 6 months
	2. University "P. et M. Curie", Paris, France, 1990, 1 year
	3. LMU Munich, Germany, 1998, 1 year (A. von Humboldt fellowship)
Scientific Publications	205
in ISI journals	185
books and book chapters	4
others	16
Citations (w/o autocitations)	> 8300
according to Web of Knowledge	~ 6000
H-index	45 (41 acc. to author finder, ISI, 42 acc. to author finder, Scopus)

Leadership of Projects	17
leader of CoE	2 centers (Mission и Union)
leader of scientific projects with external funding	5 projects (funded by EC, NATO, A. von Humboldt Foundation)
leader of scientific projects with national funding	10 (National Science Fund, Programme Rila)
Expert Activities	2008–2012, chairman of the Expert Council for Young Scientists affiliated to the General Assembly of the Bulgarian Academy of Sciences
	2004–2010, member of the Specialized Scientific Council of Inorganic and Analytical Chemistry at the Highest Attestation Commission
	2013-2016, chairman of the Permanent Scientific - Expert Commission for Natural Sciences, Bulgarian Science Fund
	2014, 2016, panel member, physical sciences, ERC
Administrative and Management	1981–1984, head of shift, Chemical Plants near Devnja
Experience	2005-2016, head of Scientific Direction, the Institute of General and Inorganic Chemistry, BAS
	2004–2012, member of the General Assembly of BAS
	2004–2012, director of the Institute of General and Inorganic Chemistry, BAS
Visiting Professorships	9 times invited professor in University “P. et M. Curie”, Paris, France; University of Caen, Caen, France and University of Cagliari, Cagliari, Italy
Fields of Interest	adsorption, catalysis, surface science, vibrational spectroscopy, porous materials
Important Awards	2006 – diploma from the Bulgarian Union of Scientists for high scientific achievements
	2009, Pythagoras award for established scientist
	2012, corresponding member of the Bulgarian Academy of Sciences
	2007, <i>Doctor honoris causa</i> of the University of Caen, France
	2011, member of Academia Europaea
