¹Данни за целия творчески период (1989-2021 г.)

²Данни за последните 5 години (2016-2021 г.)

h-индекс на проф. дгн Станислав Василев:

37 (базиран на представения от кандидата списък с цитирания за 74 публикации)

37 (базиран на 62 публикации в Scopus)

Забележка:

- Номерата на публикациите са според „Списък на научните публикации за целия творчески период“ (Приложение 1)
- Със * са отбелязани публикациите, избрани за участие в конкурса (Приложение 2)

Публикация № 2. Василев, С. 1990. Фазово-минераложки изследвания на отпадни продукти от топлоелектроцентрали, получени при изгаряне на източномаришки лигнитни въглища. Списание на Българското геологическо дружество, 51 (2): 35-45.
